Dear Parents and Carers,

Gardening Club – Reception and Year 1 – Summer 3B

We are delighted to advise that we will be starting a Gardening Club in the Summer term. The club will take place after school on **Tuesdays** from **3:15pm - 4:15pm** and will be run by Mrs Gardiner. The children will be using the Orchard and a classroom for some of the activities.

We will find out about the many things plants need to grow and observe the different stages of growth. We will even create some art inspired by our learning. Most importantly, the children will be growing their own plants and having lots of fun working together!
