12:10 am	<p>Olympic Values</p>
12:20 pm	<p>End of event</p>

THE OLYMPIC VALUES

We have been learning about the values associated with the Olympics. Each class has made a poster to represent a different value.

Olympic Values

Friendship

Respect

Excellence

Paralympics' Values

Determination

Inspiration

Courage

Equality

Friendship - We have been talking about the important qualities of friendships in terms of how to be a good friend and how we can make things better when things go wrong.

Respect - During Circle Time there has been a focus on listening to other's view and opinions. In addition, our children have also been thinking about the environment and how to look after it. We have playing games to encourage fair play.

Excellence - Our children have been taught the importance of always trying their best to ensure they reach their full potential. Our school ethos encourages our children to always 'have a go' and work to the best of their ability.

Determination - We always encourage our children not to give up if they can't do something the first time. If we practise and keep trying, goals can be reached and new things can be achieved.

Inspiration - We have been talking about the importance of being a good role model and why. We have looked at previous Olympians and how they inspire other people to follow their dreams!

Courage - Our focus this half term is Courage we will be thinking about being brave and what to do when faced with a difficult situation. We will also be talking about situations where you need physical courage for example riding a bike again after you have fallen off and hurt yourself.

Equality - Our children have been recognising the benefits of celebrating 'difference'. They have been gaining an understanding of the need to treat all people with equity, fairness and respect.
