

TechyTots

Dear Parents/Carers,

TechyTots is delighted to continue its afterschool at your school in the Autumn term. We will be running Classes on Monday Afternoons. This year we shall open the club to all children from **Reception to Year 6**, divided into groups of Key Stage 1 (KS1) and Key Stage 2 (KS2) curriculum as applicable.

*TechyTots offers a fun way to teach kids coding by combining technology with play. Learning to code helps develop important skills such as **creativity, critical thinking, problem-solving, sequencing, concentration, and confidence.***

We provide fun and interactive classes where children can explore coding using robots and the latest technology toys.

All our activities are **hands-on and offline**, so you can be assured, your children will not access the internet during our classes.

TechyTots afternoon sessions will be running on Mondays - 3.15 -4.15 pm 14th Sep - 14th Dec (no Class half term) 12 weeks - £144 for the term. Trial available, subject to availability. Sibling discount offered.

After the class, we will walk the children to the school gate for pickup. A limited number of spaces are available, and they will be offered on a first-come, first-served basis.

To book your child's space, please click the link below

[Book Your Space](https://pbbl.uk/43CYjig) (<https://pbbl.uk/43CYjig>)

If you are interested but Monday does not suit you then let us know and we shall look into offering additional sessions.

If you have any questions, please Contact, vikram.dalal@techy tots.co.uk
