Autumn Term

School: Ewell Grove Primary School

Dear Parent/Carer

Your child's flu vaccination is now due.

This vaccine helps protect your child from influenza (flu), which can be unpleasant and can cause serious complications. Vaccinating your child will also help to protect more vulnerable family and friends by preventing the spread of flu.

For further information visit: NHS Children's Flu Vaccine

For your child to receive this vaccination when we visit your school on **MONDAY 30TH NOVEMBER 2026**, please complete the e-consent form. Please note that e-consent access will close **4** working days before the visit date.

- Please visit www.surreyimmunisations.co.uk and enter your school's unique code **SR124955**
- If you are a **NO CONSENT,** please still complete a consent form but select the 'No' option.
- An **injectable flu vaccine is available that does not contain porcine gelatine**. If you prefer this, please select 'No' for the nasal vaccine and 'Yes' for the injectable flu vaccine and the vaccine will be delivered in school when we visit.
- If you only wish your child to be seen in a clinic setting, please submit an e-consent form and contact us using the details above for a clinic link.

An automated email will be sent to you on completion of the e-consent from school.immunisations@nhs.net If you do not receive this, please check your junk email. Google Chrome is the recommended browser for this task.
