

20th May 2025

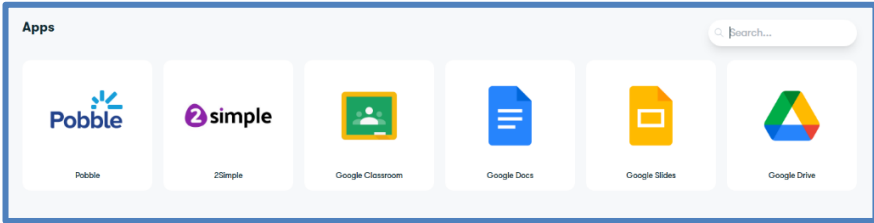

Dear Parents

I would like to provide you with an update regarding access to **Wonde** and **Google Classroom**. As you are aware, during the Easter Holidays Eduthing (our IT provider) worked with Lumen Learning Trust to migrate all of our Ewell Grove emails to Lumen Learning Trust emails. This did not go as smoothly as anticipated. Since Easter, Eduthing have been working to remedy a whole series of resulting issues. **Google classroom** unfortunately being one of them.

To ensure all children have access to **Google Classroom** we have updated **Wonde** to **Mylogin**. **MyLogin** is part of **Wonde** and will continue to connect the children with learning applications and classroom tools in a simple and secure way. The **children will be given new emoji passwords** to access their new accounts.

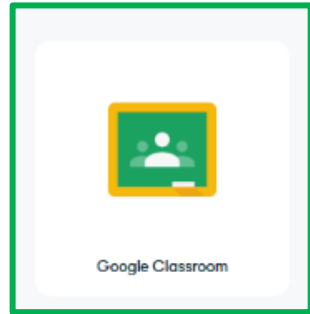

Please follow the following steps to access **Mylogin** and **Google Classroom** from home.

| | |
|---|--|
|  | <p>Please go to the Ewell Grove website homepage and click on the Google Classroom link in the top right-hand corner.</p> |
|  | <p>The Google Classroom link will take you to the Ewell Grove Mylogin Homepage.</p> <p>Please click on the yellow box – Log in using Emojis.</p> |
|  | <p>You will have received your child's new emoji log in on a slip of paper.</p> <p>Please enter the new emoji password.</p> |

You will then see a page of apps including **Google Classroom**.

More apps will become visible as Eduthing complete the work.

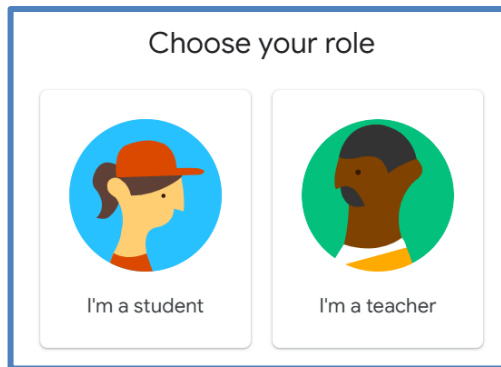

Next you will need to click on the **Google Classroom** app.

We would like to confirm that the referenced account is yours. If you recognise this account, please press continue.

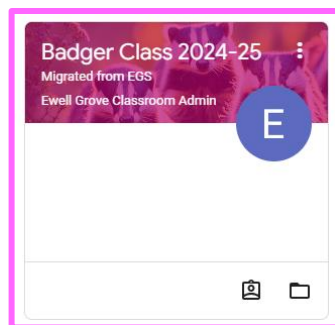

[I don't recognise this account](#)

[Continue](#)

Please confirm the referenced account is yours by clicking on 'continue'.

Click on the student box.

Your Google Classroom will appear. Click on your class name to enter the classroom.

I would like to apologise for the disruption this has caused. We have been assured the problem has been resolved. If you have any further issues accessing Google Classroom please let us know by emailing office.ewellgrove@lumenlearningtrust.co.uk and we will pass these onto our IT provider.

Thank you for your ongoing support and understanding.

Miss Paula Rising
Headteacher
